# The NEWS of the catalogue

# 2023

Also this year we are improving our offer with new products, increasingly efficient and dedicated to professionals in specific sectors.

## WE EXPAND THE RANGE

The search for innovative, practical and functional solutions drives us every year to extend our offer, with an increasingly vast and complete assortment. The new pliers are the right tools for today's increasingly specialized professional.

## WE SPOTLIGHT THE INNOVATIONS OF THE SECTOR

With the right light, everything can change. The professional to whom our new collection of lamps, dedicated to the car body shops, is aimed, knows it well. In day-to-day work, support tools need to be portable, versatile, but also precise and high-performing. It's not enough to illuminate, sometimes you have to make it shine!

## WE RAISE THE STANDARDS

With the new lifters, including the new models with a lowered design, we have also raised the standards and now it is easier to work, even on vehicles with a high capacity, such as off-road vehicles and vans. Our new proposals have a high height compared to the market average and the pedal-less lifting mechanism ensures more ease of use with less effort.

# NEW PLIERS – INDUSTRIAL

New high performance tools enrich the offer of Fasano Tools pliers already present in the catalogue. The **NEW LINE of INDUSTRIAL PLIERS** is characterized by ease of use and effective performance too in the heaviest applications.

## 20+ MODELS

**CUTTING CAPACITY UP TO 6mm\***

IT REFERS TO THE MAXIMUM VALUE COVERED BY THE RANGE

**HARDNESS  
STEEL HRC 63**

## HIGH LEVERAGE

### LET'S LEVERAGE ON SPECIFIC PROFESSIONAL NEEDS

In the range of **INDUSTRIAL GRIPPERS** the versions High Leverage have a **"HIGH LEVERAGE EFFECT"** which guarantees greater comfort during use and a significant reduction in hand effort.

**+ 25% CUTTING CAPACITY  
- 35% OF EFFORT\***

THE FULCRUM POSITIONED  
CLOSER TO THE CUTTING EDGES  
AND MORE DISTANT FROM  
TO THE HANDLE POSITION

**GLOSSY MIRROR FINISH**

**BI-MATERIAL  
HANDLE**

**INCREASE THE LEVERAGE EFFECT,  
GREATLY REDUCING  
THE EFFORT DURING USE.**

\* Cutting of the piano wire of the model **FG 59/HL200** compared to the model **FG 59/XT200**

# HYDRAULIC TROLLEY JACKS

## 3 New models

Even higher performance and ever less effort.  
Yes, with the new Fasano Tools hydraulic jacks!

**NEW LOW PROFILE DESIGN** in 2 models  
to work also on heavy or sports vehicles.

**NEW LIFTING MECHANISM WITHOUT FOOT PEDAL**  
which reduces the effort of use and increases the stability in lifting.

**NEW PUMPING SYSTEM**  
equipped with double piston to facilitate weight lifting.

**MAX HEIGHT**  
higher than other models on the market.

**STURDY METAL  
CONSTRUCTION**

**HANDLE WITH  
SHOCKPROOF RUBBER**

**PURGE VALVE  
OF THE AIR**

# NEW LED LAMPS FOR COLOR CONTROL

The range of Fasano Tools lamps and spotlights is enriched with new, even more performing proposals dedicated to the Bodywork Sector. Portable, rotating, adjustable and tiltable, our lamps adapt to maneuvering spaces and to your work, like never before!

## MORE LIGHT, MORE PRECISION

The most durable over time, even with bad weather and external agents.  
 The most resistant to shocks.  
 The most suitable for jobs to be carried out outdoors.  
 The best to return a realistic view of the color related to the painting.

# The company

## Identity

### We manufacture professional tools since 1976

Founded in 1976, the company launched the FASANO TOOLS brand in 2002 which, right from the start, placed itself on the market as an innovative and alternative brand in the world of professional tools.

The production and logistics activities are concentrated in the operational headquarters of approximately 3,000 square meters, located in Lecce, Italy.

Over 40 years of experience and continuous listening to users and business partners, have allowed the company to grow and become a reference reality in the sector, consolidate its presence at a national level and strengthen that at an international level.

Fasano Tools products are aimed at professionals in the **Industry, Automotive and Handicraft** sectors.

Subject to rigorous quality controls, tools and equipments are characterized by high performance in terms of power, great reliability over time, as well as compactness and manageability, essential for effective use.

Fasano Tools stands out on the market for the **wide range of work tools** that cover all the reference sectors and for the wide and constant availability of spare parts. The strengths of our company are, in fact, the assistance and attention to the voluntary and mandatory certifications to which the products are promptly submitted, in order to comply with international standards as per current regulations.

Fundamental support for the activity of Fasano Tools is its **website**, extraordinarily rich in product information, detailed technical data sheets, manuals, spare parts list and innovative tools to find the tool or kit you need for your job. Like the Tool Finder, a revolutionary internal search engine dedicated to the range of engine timing products.

The communication of Fasano Tools also extends from the web to the world of Social media, where it is characterized by a targeted and different activity for each Channel.

With over 40 years of experience, the company has a very clear **VISION.**

It aims to never lose that critical spirit towards the world and the market and, through constant commitment and the search for innovations to support work, to face the challenges of the sector with flexibility and to anticipate its evolution. **Today like yesterday.**

# The Team

## A mosaic of professional collaborators is our wealth

Variety is our real strength. Different professionalisms and specific skills make up our team.

Our family.

The Fasano Tools organization chart consists of departments constantly communicating with each other: Management, Administration, Accounting, Sales Department, Production Department, Design Department, Research and Development Area, Creative Marketing Area.

We like to work in a team with well-defined roles, embracing our vision in every smallest activity, but also keeping in mind the objectives to be achieved. Offer ever more performing work tools able to adapt to any situation.

The **MISSION** of Fasano Tools is implemented by offering constant customer support and concrete answers to solve any critical issue promptly and efficiently.

## Our network

### The Fasano network in the world!

Fundamental to the business development was the creation of a solid network which, over the years, has been made up of quality collaborations and partnerships.

Fasano Tools boasts, in fact, a dense network of distributors at national level and a consolidated presence with many importers, **in over 30 countries around the world.**

Our network is also made up of commercial agencies whose constant and widespread presence on the territory ensures the promotion, demonstration and relative application of the products in the workplace. Furthermore, thanks to the work of our specialized Technical Promoters, an important listening and feedback activity is carried out from customers, as well as targeted assistance.

**40** years of experience

**30** countries we export to

**3000mq** production and logistics site

# The digital network

## We communicate our passion online

We live the worldwide web with creativity, communicating all the passion we put into our work, but also future projects, news and collaborations.

[fasanotools.com](http://fasanotools.com)

Our website is constantly updated and it is an important point of reference for customers and resellers who personalize their virtual experience by accessing it through the reserved area. The portal offers the entire catalog of our references, promotions, detailed services, new products and contacts. Each tool is accompanied by precise information, technical data sheets and a list of the related spare parts available.

Also thanks to the innovative **TOOL FINDER**, users of the Automotive sector have the possibility to search, in a simple and fast way, the necessary engine timing kit, based on the vehicle.

Our presence on **Social Media** aims to establish a relationship of trust with our public, based on transparency and its very participation in our activities. In particular, on **Facebook** we involve our users, customers and fans of the sector, with information, videos, images and dedicated contests.

**Our Youtube channel** is populated day by day with demonstration videos, in-depth videos or related to our participation in events. We use our **Linkedin** channel to communicate specific content to experts and professionals in the sector. Finally, on Instagram, we communicate our reality on a daily basis, showing the background of the design, of the creative processes, such as the new products located in the reference context.

On this worldwide channel, the **hashtag #fasanotools** also gives a voice to our customers and partners, showing all the nuances of a great reality such as Fasano Tools.

## 12v and 24v automotive storage battery tester

### Technical Features:

Dimensions: 90X50X235 mm  
Operating voltage: from 9V to 35V DC  
Battery check time: about 1 minute  
Internal battery for date and time memory:  
CR1220 (1 piece)

<b>FEATURES:</b>	BACKLIT DISPLAY
	LANGUAGES: Italian; Spanish; Polish; English; German; French
	REPORT PRINTING BOX
	FALSE DETECTION SYSTEM COLLET CONNECTION CONTACT
<b>APPLICATIONS:</b>	STORAGE BATTERY TESTER 12 E 24V
	ALTERNATOR TEST (INTELLIGENT AND NORMAL) 12-24V LOAD
	STARTING SYSTEM TEST
<b>BATTERIES SUPPORTED:</b>	PB, WET, GEL AGM, AGM FLAT, EFB
<b>APPLICATIONS:</b>	CCA: 100-1700; IEC: 100-1000; EN: 100-1700; DIN: 100-1000; JIS
<b>CABLE LENGTH:</b>	570 mm

# TIMING TOOLS SET

## INSTRUCTIONS

In each User Manual there's the correspondece between **FASANO tools** and OEM tools. This feature permits a fast research and using of each individual tools

## SPARE PARTS

**FASANO Tools** permits to buy the complete set available on the Catalogue and also individual tools which compose each set

## TOOL FINDER

In the home of webiste [www.fasanotools.com](http://www.fasanotools.com) it's possible to use a fast research tool only writing the most important datas of veichule.

IN COOPERATION WITH:  
**Autodata**  
It's what we know

Autodata non è responsabile per l'uso improprio di informazioni tecniche allegate ai prodotti FASANO Tools

### Timing tool set for BMW 2.0 N47, N47S, N57 - chain

**Models:**  
118D(E81/E87); 120D(E81/E82/E87);

for organization and customization of your working space

### COMPACT:

49 cm depth, perfect also in smaller spaces

### STURDY:

Galvanized steel worktop, thickness 2mm  
Galvanized and painted metal structure, thickness 1mm

### QUALITY:

Structure for wall cabinets and perforated tools panels realized with columns fixed on modules for a high durability

### COMPATIBILITY:

Drawers designed to be compatible with Fasano Tools modules

### MADE IN ITALY:

Designed and produced in Italy, to focus on choice of materials, attention to details and smart style

### VERSATILE:

Flexible and modular system, with possibilities of complete customization or choice of predetermined combinations that can be expanded or modified in time

THE MODULAR SOLUTION FOR COMPOSING  
THE FURNITURE OF YOUR VAN

within 3 easy STEP

STEP

BASE

1°

SELECT THE BASE:

- **OPEN** (IF POSITIONED ON THE WHEEL ARCH)  
OR **CLOSED**
- **EVENTUAL RISE**

STEP

DRAWERS

2°

SELECT THE TOOL CHEST

(TYPE AND NUMBER OF DRAWER UNITS VARY  
ACCORDING TO FUNCTION OF THE WIDTH OF THE BASE)

STEP

SHELVES

3°

ADD EVENTUAL **SHELVES**  
WITH RELATED **SIDE UPRIGHTS**

(KEEP IN MIND THE DEPTH OF THE STRUCTURE  
AND THE SHAPE OF THE VAN)

## FLOORS IN PHENOLIC WOOD, 12MM

The material with which the shelves are produced is 12 mm thick gray birch wood, coated with phenolic film, ideal for use where high resistance to wear is required. The surface has a special non-slip imprint, is resistant to water, atmospheric agents and chemicals. Furthermore, the product is eco-friendly, hygienic and easy to clean.

It is designed to be supplied in an assembly kit a any type of user and do not require special equipment.

They come standard with

- aluminum profiles for rear and side door stops
- load retainer hooks and hole covers

**SCAN THE QR CODE WITH YOUR SMARTPHONE  
AND CHOOSE THE PLATFORM  
ACCORDING TO THE MODEL OF YOUR VAN**

## POLYPROPYLENE PANELS

### ALVEOLAR PPL PANELS

The internal lining is indicated to avoid damage to the bodywork caused by the impact of the goods and is easy to install.

The material used is PPL (Polypropylene) alveolar gray in color and 4 mm thick. The panels are waterproof, scratch and mold resistant. Easy to clean and resistant to high temperatures, water and oil.

AND CHOOSE THE PANELS  
ACCORDING TO THE MODEL OF YOUR VAN**

## Rubber modules (Eva Foam)

Organize your tools with our rubber modules, to be assembled and modular at your choice, based on the size of the drawer.

**Order and functionality for your work!**

The modular system allows you to customize the van set-up according to your needs to make your work more functional and faster.

## SALES CONDITION

### 1) ORDERS

Orders are taken under the following conditions which are accepted by the buyer with the order. Any exceptions must be agreed by the parties in writing, and only for sales they refer to. The orders are irrevocable by the buyer without the possibility of further additions. Fasangas Ltd may accept the order sent by the buyer by shipment of the goods, even several times, in accordance with art. 1327 Civil Code

### 2) PRODUCTS FEATURES

The weights, dimensions, pricing, packaging, colors, and other data in the catalogs, brochures, circulars and other documents illustrative of the nature of the seller's rough indication.

Fasangas reserves to change at any time and without notice, the specifications and construction of its products.

### 3) PRICES

Prices are quoted net of VAT, any taxes or fees, as well as taxes, fees and charges or tax of any kind may be levied on the contract. They refer to a commodity warehouse to Fasangas Srl.

The agreed prices are calculated based on the price list in force at the time of order.

Fasangas Srl reserves the right to change prices without notice.

### 4) PAYMENTS

Unless otherwise agreed in writing, payment must be made in cash, the immediate benefit of Fasangas Ltd, at the headquarters of the seller and the terms specified in the invoice.

In case of delayed payment, the buyer is obliged to pay to Fasangas Srl default interest pursuant to Legislative Decree no. 231/02 and result in the loss to the buyer the benefit of the term under art. 1186 cc, making it immediately due any amounts not yet expired.

### 5) SHIPMENTS

The shipment is the buyer's responsibility. The goods always travel and risk of the buyer, at the latest, by the time of delivery to the carrier. Therefore, Fasangas Srl is not responsible for deterioration, damage, delays, fines or other interference with or damage of any kind which may be involved during transport. Purchaser must perform due diligence in the goods and forward complaints to the carrier. Shipments will be supported to the carrier specified by the customer or, failing that, to the carrier cheaper than knowledge Fasangas Srl

### 6) DELIVERY

The delivery of the goods, however and wherever provided, are only indicative and not binding on the seller. The buyer, however, has the right to withdraw, in writing, if the delivery is not given within six months from the agreed date, in addition to this right of withdrawal, no pretense, not damages, may be made by the purchaser.

It is not considered due to Fasangas Srl any delay due to force majeure or acts or omissions of the buyer.

### 7) WARRANTY

The warranty covers manufacturing defects and is limited to replacement or repair of defective products from Fasangas Srl, with the exclusion of any right to compensation. And of course, therefore, that this warranty covers and replaces any warranty or liability of Fasangas Srl (contract or tort) may arise from the products supplied. The guarantee does not apply to products that have normal wear, signs of tampering or misuse.

The assessment of the quality or defective goods or parts will be made by Fasangas Ltd at its service center or authorized service technician.

Any return of goods must be authorized

in advance.

The cost of transporting the products to be replaced or repaired and replaced or repaired product shall be borne by the buyer.

### 8) COMPLAINTS

The buyer must notify, in writing by registered letter with return receipt, any defects of products supplied or the possible lack or uneven delivery of all or part of the purchase order, under penalty of forfeiture, within eight days to be calculated respectively the date of delivery of products (apparent defects) and / or the discovery of defects (hidden defects).

It is understood that any complaints or claims do not entitle the buyer to suspend or delay payment of the goods in dispute, nor, still less of other supplies.

The warranty does not work if the buyer has performed or carry out third party products.9) RESI

Eventuali resi di merce vengono accettati solo se preventivamente concordati e autorizzati per iscritto, contrariamente saranno respinti al mittente con trasporto a carico dell'acquirente.

### 10) TERMINATION

The insolvency of the buyer, even if not judicially determined, el'inadempimento even one of the obligations to him under the contract of sale, determine the ipso jure termination of the agreement, resulting Fasangas Srl right to full compensation for the damage and Fasangas Srl, with the power to demand the return of the products supplied.

### 11) JURISDICTION

Any controversy arising from or in connection with the contract shall have exclusive jurisdiction to the Court of Lecce.
